# Compliance & Safety

## Reassuring stakeholders of safety & quality

Our project follows all statutory compliances, worker safety protocols, and sustainability standards to ensure responsible development.

# Conscient Cares

Corporate Social Responsibility organised at Sector 80 and Sector 62 site

# Our Partners

## Construction Partner

Backed by years of trust, PARQ is crafted under the guidance and expertise of India's most trusted construction company, Shapoorji Pallonji.

## Landscape Partner

Designing harmony between nature and living, our landscape partner, Element Design Studio brings master planning and full-service landscape architecture to PARQ.

## Architect

Blending vision with precision, PARQ is shaped in collaboration with one of India's largest multidisciplinary design companies, RSP Design Consultants.

# Certification

PARQ is IGBC Platinum Pre Certified, making it an eco-friendly and resource-efficient development -a true testimony to our commitment to sustainable living.

Together with our partners and workforce, we are building more than structures – we are building trust, progress, and a future that stands tall.
